

ASA Institutional and Non-Member Subscription Journal Pricing

Institutions and non-ASA members seeking 2024 subscription and access information for the ASA’s subscription journals should contact the Taylor & Francis Customer Service Department directly at 800-354-1420 or subscriptions@tandf.co.uk to subscribe to the ASA journals. ASA members should continue to subscribe through the ASA directly.

Institutional Subscribers

The ASA has a Full Time Equivalent (FTE)* tiered pricing structure based on each subscribing organization’s Carnegie Classification. Find your tier at <http://classifications.carnegiefoundation.org/>, or contact Taylor & Francis Customer Service for assistance. The below rates are for a volume year subscription to each ASA journal. E-access includes perpetual access to the volume year purchased and access to content back to 1997 during the term of the subscription. Please see page 3 for all non-member and *CHANCE* subscription pricing information. **The online archive of each ASA journal can also be purchased. Institutions should contact Customer Service directly for archive pricing.** For information on the ASA’s open access journals, *Statistics and Public Policy* and *Journal of Statistics Education*, please visit <http://amstat.tandfonline.com/uspp> and <http://amstat.tandfonline.com/ujs>.
