

PLEDGE TO OPEN

Participating Institutions

We are very grateful to the 42 institutions who have supported Pledge to Open over the course of its journey so far. The collective commitment of these institutions has allowed for a total of 58 titles from important subject collections to be made open access – creating greater opportunities for a diverse range of researchers, students, and scholars worldwide to access vital knowledge without barriers.

Join the next Pledge to Open program

To join this group of institutions for the next Pledge to Open program, contact us at pledgetoopen@taylorandfrancis.com and find out how your institution can help expand open access to critical research collections.
