

Journal of Pharmaceutical Policy and Practice

Fact Sheet

From the 1st September 2023, the *Journal of Pharmaceutical Policy and Practice* (JoPPP) is transferring from BMC/Springer to Taylor and Francis (T&F), one of the world's leading academic publishers.

The following explains what this change means for the journal.

Scope and Coverage

The journal will remain the same, with the same objectives, scope, and the coverage. The journal Editor-in-Chief and Editorial Board will remain the same.

Coverage, Indexing and Impact Factor

The journal will remain indexed in the same databases, Scopus, PubMed Central and will retain its Impact Factor of 4.2 and CiteScore of 4.1.

What will happen to the previously published articles?

The previously published articles will remain indexed in Scopus and PubMed and will be visible through the Journal's previous website and also on Taylor & Francis' new journal website.

Website and Submission of Articles
