

Regional Studies, Regional Science Special Issue Information Sheet

Please complete all fields with as much detail as possible and email the completed form to RSRS-peerreview@journals.tandf.co.uk

Overview	
Proposed title	
Subject areas	
How does the special issue contribute to current debates and research?	
How does the special issue fit the aims of the journal?	

<p>Is the issue based around a conference or seminar? Please provide details.</p>	
<p>How will the range of contributions result in a strong collection?</p>	

Guest Editor information	
<p>Principal Guest Editor's name, affiliation and email address</p>	
<p>Co-Editor names, affiliations and email addresses</p>	

Further information	
<p>Number of papers expected</p>	
<p>If authors have not already been secured, do you require a call for papers? If so, for what dates?</p>	
<p>Deadline for authors to submit their papers to the journal for selection / peer review</p>	

Would there be opportunities to disseminate the special issue at particular events?	
Are there any “hot” topics or papers that would benefit from additional dissemination?	

Proposed papers (expand as required)			
No.	Authors, affiliations and email addresses	Title and abstract (max. 150 words for abstract; to be shortened to 100 words on paper submission)	Potential referees (3 per paper) with affiliations and email addresses. N.B. Special issue authors and Guest Editors do not normally qualify as referees for other contributions.
